NOTIFICATION OF START OF WORK - A12 JUNCTIONS 15 - 19 SURVEY OF CONCRETE ROAD SURFACE

I am writing to introduce VolkerFitzpatrick Ltd as the principal contractor working on behalf of Highways England. We will be carrying out a survey of the concrete road surface of both northbound and southbound carriageways of the A12 between Junctions 15 and 19.

The survey work is being carried out to support our proposals to repair the A12 Chelmsford Bypass concrete road surface from junction 15 Webb Farm Interchange to junction 19 Boreham interchange. These works will provide a smoother road surface and are expected to commence in the summer. Further information about these works will be provided ahead to construction starting.

The survey work will commence on Monday 7 June for approximately one week with road closures taking place. A signed diversion route will be in place. To minimise disruption, we will be carrying out the survey work on weekday nights, on the following dates and times:

Southbound:

From 9pm on Monday 7 June 2021 until 5am on Tuesday 8 June 2021.
From 9pm on Tuesday 8 June 2021 until 5am on Wednesday 9 June 2021.
